

Signing Up for Membership and Camp/Class in ESoft (LPA Scheduling Software)

To sign up for Training at LPA, you must FIRST purchase a Membership. There are a few training sessions that do **NOT** require a Membership (Private 1 on 1 baseball/softball lessons, Private Performance Zone Training, single MOPVA sessions, and 3 or 4 on 1 group Baseball/Softball.)

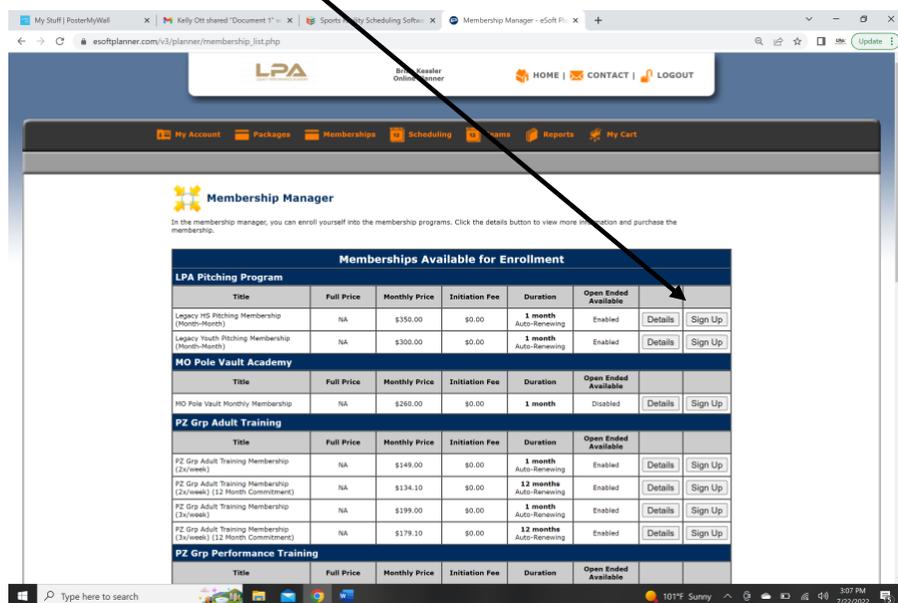

****To Schedule 3 or 4 on 1 group Baseball/Softball (Catching/Fielding/Hitting) lessons please call, all others can be scheduled online.**

To sign up for a **Membership**, first log into your ESoft account. [Click Here](#). Across the top are several buttons; click on the Memberships tab.
